

New Found Records, Program EP 542

DESCRIPTION/PLAYLISTS/BREAK TIMES

Premieres Nov. 23, 2019 on CHMR 93.5 FM

DESCRIPTION

On this episode we flashback 40 years to spin a track by St. John's pioneer punk-rockers, **The Reaction**. And you'll hear three spins from recordings that I scored at recent Record Fairs. One is a dandy track by **Cold War** composed and sung by **Miek Fisher** of the aforementioned **Reaction**! Also, **Ron Rose** sings a number penned by **Roy Payne**, *Thank God I'm A Chicken*! Plus a track from the first recording by **Uncle Harry's Bar Band**. They're from beautiful Woody Point, Bonne Bay.

Another highlight is a song from a youthful **Ron Hynes**... a track that he released in 1973 about the hometown of Sonny O'Neill. He's the Sonny of one of Ron's best know songs *Sonny's Dream*.

Lots more too.
