DESCRIPTION

Yesteryear's 'Queen of Newfoundland Country Music' JOAN MORRISSEY does her rendition of the biggest selling Christmas single of all time; The Bell Island boy RAY MCLEAN sings a few covers of Charlie Pride numbers from the early '70s, and 'The Godfather of Newfoundland Country Music', DICK NOLAN, teams up with his five year old daughter BONNIE LOU for a rare duet on Gene Autry's #1 hit from 1949.

And there's lots more too from Joan, Ray, and Dick.
