

New Found Records EP 551 (Rabbie Burns)

Encore of Ep. 085

DESCRIPTION/PLAYLISTS/BREAK TIMES

Airs Jan 25, 2020 on CHMR 93.5 FM

DESCRIPTION

January 25th is the date when the Scottish and Scot wanna-be's celebrate the birth of The Greatest Scot, the Scots' national bard, the ploughman poet, **Robbie Burns**. To mark the occasion, New Found Records searched our extensive Newfoundland-vinyl library for anything Scottish. We looked for songs about Scotland that were sung by Scots, or Irish, or English or anyone else. And we looked for songs that were sung by Scots with some kind of Newfoundland connection.

Tune in for this episode and see what we found as we romp through Scottishness in the vinyl recordings of Newfoundland.
