

New Found Records Ep. 563 “Guitar Songs”

DESCRIPTION/PLAYLISTS/BREAK TIMES

Airs April 18, 2020 on CHMR 93.5 FM

DESCRIPTION

April is **International Guitar Month**. Every April, guitarists and music aficionados from around the world gather physically, virtually and mentally to recognize both the instruments and the talented musicians who bring them to life.

So NFR celebrates with two episodes jam-packed with an eclectic mix of guitar instrumentals. And we spin a few ditties about those six-string beauties as well. We've sourced most numbers from vinyl and there's an NL connection as always!

Episode One features guitarists from the late '50s to the early '70s. On the platter: **Danny Behanon, Lew Skinner, Roy Penney, Russ Clark, Gerry Hall**, and more!
