DESCRIPTION

It's the time of the year to count your blessings. Despite the hardships that 2020 has thrown at us, we have much to be thankful for.

So for this episode of New Found Records we've stacked out platter with music that we think has a thanksgiving feel. Tune in and enjoy rare recordings of songs about family, friends, and the little things in life that we often take for granted.

And as always, these obscure gems are all performed by pioneer recording artists of Newfoundland & Labrador including **Dick Nolan, Roy Payne, The Lidstone Sisters, Roger Howse**, and lots more.

Happy Thanksgiving everyone!
