#### DESCRIPTION

Songs that ask questions... that's what this episode of New Found Records is all about! The show features an diverse array of vinyl oldies by Newfoundland & Labrador recording artists of yesteryear.

The playlist includes a track by **The Four Ways**, a band with strong Australian connections that were regulars of St. John's bar scene in the mid 1970s. Inquisitive St. John's bluesman **Peter Narvaez** contributes two numbers while **The Wiseman Brothers** will have you pushing back the furniture and hitting the dance floor! Plus a beautiful obscure recording by **Mike Fisher and Cold War** and a few gems by **John White** and **Dick Nolan**. What a lineup!
