

## New Found Records Ep. 627 – “Sunshine, Bees, and Flowers”

### DESCRIPTION

For this episode we’ve dug deep, deep, deep into the our archives and retrieved a program that we first aired when NFR was an infant. We first aired it twelve years ago in 2009!

The show includes **Little Johnny Cameron**’s great cover of *Sunshine & Flowers* penned by American folkie Eric Anderson. Plus Nova Scotians **Tom, Jim and Garth** sing their regional hit from 1966, *Come Home Newfoundlander*, and **David Barnes** sings a spirited rendition of his seldom-heard patriotic *Our Province Newfoundland*. Canadian folkie **Valdy** contribute his delightful *Arnold’s Cove Ladies* and you’ll hear Texan David Jackson’s heartfelt *I Miss The Rock*. Lots more too!

So tune in and enjoy a mix of Newfoundland oldies but goodies that you won’t hear anyplace else!

(encore - originally aired June 29, 2009)
