

**New Found Records Ep. 644**  
**“Hey Alberta, Dr. Kelly Russell, Watts & Everly Remembered”**

**DESCRIPTION/PLAYLISTS/BREAK TIMES**

Airs November 6, 2021 on CHMR 93.5 FM

**DESCRIPTION**

On this episode, we pay homage to **Dr. Kelly Russell**. This multi-talented man recently received an honorary doctorate from Memorial University of Newfoundland & Labrador. We also spin a few **Bruce Cockburn**-related tracks. Cockburn was recently honoured with a star in Canada's Walk of Fame.

Plus we remember The Rolling Stones' drummer, **Charlie Watts**, who passed away a short time ago. We remember him and spin a couple of Stones' covers by **The Du-cats** and **The Prince of Darkness**. Likewise, we reflect on **Don Everly** of The Everly Brothers who passed away a few months ago. We do that by spinning Everly Brothers' covers by **Dick Nolan & Marlene Beaudry**, and by **Harvey Bishop**.

And we welcome new listeners to the program in Southern Alberta. They now catch the show on **CKXU** in **Lethbridge Alberta**. It's great to have Albertans on board with us!
