**DESCRIPTION**

Today, a special yuletide broadcast, *Christmas at the Newfoundland Cathedral...*

In November of 1986, The **Choir of the Cathedral of St. John the Baptist** presented a Christmas service at The Newfoundland Cathedral. The Very Reverend E. C. Rusted read a series of lessons and the Choir, with D. F. Cook as Choirmaster and Organist, sang several carols. The service was recorded on **digital** equipment... advanced technology for that era. The result is a gorgeous recording, and in this episode you'll get to hear the entire album.
